

BECOME A VOLUNTEER DRIVER

The Davies Project work is volunteer-powered, and there are many ways in which you can lend your skills, time and enthusiasm to this effort.

MORE THAN JUST A RIDE

Are you interested in making a difference in your community? Do you have a special place in your heart for children? Our Volunteer drivers provide rides to medical appointments for children with a serious health condition and pregnant women, and parents to visit a baby in the NICU if no car is available.

More than just a ride

START DRIVING CHANGE

"The Davies Project doesn't just provide transportation. I got to know the drivers and build friendships, and that's what has helped my family the most.

Thank you!"

- Mother of a TDP child
