

DECEMBER 2024

→ Giving Tuesday

Dear Friend,

Imagine pulling off a band-aid to find a deeper wound than expected. The Davies Project faces a similar situation. More children and expectant mothers than ever desperately need rides to critical appointments, and demand is surging beyond our resources.

The hardest part? Saying no. Every family on our list represents a heartbreaking story.

This "Giving Tuesday", you can make a difference. A monthly gift of \$20 will ensure one more family reaches their essential appointment. Together, we can transform their lives during this holiday season and beyond.

Please visit thedaviesproject.org or use the above QR code to donate today. Your generosity is truly life-changing.

Thank you for your compassion and support,
