Lace Up for Hope: Max's Race is Back!

There is nothing quite like early June in Michigan. The air is warm, the trees are lush, and the stunning campus of Michigan State University is fully alive.

On Saturday, June 13th, we have the perfect opportunity to enjoy this beautiful scenery while coming together for an incredibly meaningful cause. We invite you, your family, and your neighbors to join us for Max's Race for The Davies Project—a morning dedicated to community, optimism, and making a life-changing difference.

Driving Change, One Ride at a Time

When a child is seriously ill, or a pregnant woman faces a high-risk pregnancy, getting to medical appointments shouldn't be an impossible hurdle. Yet, for many local families struggling with transportation, it is.

The Davies Project steps into that gap, providing free, reliable round-trip rides to essential medical appointments. Every single registration and donation for Max's Race directly helps ease the burden for these families, replacing stress with hope and community support.
