

JUNE

Big Moves, Miles of Smiles, and Celebrating You!

Because of your unwavering generosity, The Davies Project continues to grow, build meaningful community partnerships, and reach more families than ever before. This month has been filled with exciting milestones, inspiring collaborations, and new opportunities to make an even greater impact throughout the Greater Lansing community.

Here's a look at the incredible impact your support is making:

We're Moving to the Nonprofit Hub

We're excited to announce that The Davies Project will soon be moving to the Nonprofit Hub! This new space will strengthen collaboration with fellow nonprofit organizations, increase our efficiency, and help us maximize our impact. We'll be transitioning throughout late July and look forward to welcoming families, volunteers, and supporters to our new home in early August. Stay tuned for more details as we begin this exciting new chapter!

Max's Race: A Resounding Success

Max's Race 2026 was an incredible success thanks to our 258 participants, volunteers, sponsors, and community partners! A special thank you to our event sponsors, Family Fair vendors, and in-kind partners—including King of the Grill, Capital City Sweets, and Tropical Smoothie Cafe—for helping create such a fun and memorable day. Together, we're helping ensure more children and families can access the specialty medical care they need.

Annual Haslett .08K Race

Our team had a great time attending the 7th Annual Haslett .08K Race on June 6, hosted by the Mayfair Bar, Watershed Tavern and Grill, and Blue Gill Grill. This fun community event brought together 276 participants and raised \$8,500, benefiting both The Davies Project and The Great Lakes Burn Camp for Kids. We are incredibly grateful to the organizers, participants, and supporters for helping raise awareness and funds that support the families we serve each month. Thank you for making us part of such a memorable event

Community Connection Spotlight: Capital City Sweets

We're excited to partner with Capital City Sweets as their June Mission Mondays charity partner, with 10% of all ice cream sales supporting The Davies Project! Thanks to winning their February fundraising challenge, we also had the opportunity to create our very own flavor—**The Ice Cream Project**—packed with plenty of deliciousness. Be sure to stop by, give it a try, and support a sweet cause!

A New Chapter in The Davies Project: Expanding to Kalamazoo

Our mission continues to grow with the launch of our pilot program in Kalamazoo County, bringing reliable transportation to even more children and expectant mothers who need access to essential medical care. We're excited to have Amy Culver, Family Services Coordinator, and Amy Dominguez, Volunteer Recruiter, leading this effort as they build partnerships, recruit volunteers, and connect families with our services. This exciting expansion is possible because of the generosity of supporters like you, and we can't wait to see the impact we'll make together.

The Davies Project's Everyday Heroes: Lansing's Volunteer Drivers

As our organization grows and expands in efforts to reach as many families as possible in need of our services, it is thanks to our amazing volunteer drivers that our Lansing operations can continue to thrive. Their selflessness and passion to help is as inspiring as it is needed for our mission of ensuring that children in need of medical care never miss the appointments they desperately require. With our organization's expansion to the Kalamazoo County area, we are on the lookout for new drivers that may join us to increase our ability to provide transportation to critical medical care for families in need. We are truly grateful for our drivers' time and dedication to helping us make that happen month to month. Thank you for going the extra mile to improve the lives of our community!

Thank you for being the driving force behind our mission. We could not do any of this without you by our side!

With appreciation,

Pam
